MARCH OF TIME

Sept. 4—Everybody gloomily awaits school. Several of our brilliants tried making themselves sick, but to no avail.

Sept. 8—L. H. S. opens wide her doors for the real beginning. Everybody horrified by the numerous hairless heads.

Sept. 9—Presentation of the Loboes. It is discovered that dear old Longview High really has a band this year.

Sept. 13—Half holiday for the fair. All braved the Loop-O-Plane and wished we hadn't. Pat Neath seen contemplating whether or not to enter an interesting but risque sideshow. (P. S. She entered.)

Sept. 16—First touch of football. Loboes down opponents 24-6. All femmes wear new fall clothes and smother happily.

Sept. 21—Football candidates announced. Mr. Speight sprouts grey hairs trying to please everybody.

Sept. 23—Special to Dallas. Bobby Slade and his candid camera help out the chaperones. Algie Glover and Shirley Burdine don't mind a little publicity, howevah—

Sept. 28—Queen contest speeches—Laughs from dopey campaign managers, particularly Jim Lewis and his "just plain Maud."

Sept. 30—Student body disappointed at trying Port Arthur's eleven.

Oct. 5—LeBus gloomily appears with Berry's football and claims it's Love.

Oct. 7—Highland Park game shows Loboes can face defeat and be good sports. Half the student body stays over in Dallas and has a swell-elegant time.

Oct. 12—Rumor has it that the ex-Florida belle, Mary Lillian, was once seen without a "gardenia" in her hair. Many refuse to believe it.

Oct. 14—Athens game and victory for the Loboes. Cookie discards Corbit and starts officially going with Hardy who is very happy about it all.

Oct. 16—Students are worried about Wilma's health—She didn't cut a single class all day.

Oct. 20—First report cards and the usual gloomy and indignant faces. Jane Booth, an exception, with her five A5's and a beaming countenance.

Oct. 27—School having annual excitement over paper on the floor, hall-necking, and too much note-writing. When the excitement calms down, there will be spells of goody-goodiness and then things will settle down to their natural state.

Oct. 29—Hallowe'en costume ball attended by quite a few L. H. S.-ers. Biggest excitement of the night was Dorothy Jane's grass skirt, especially when a lawn mower appeared.

Nov. 1—School a bit out of the mood for larnin' after a hectic Hallowe'en. Lon looks as if he had quite a night of it, as do several other lads and lassies.

Nov. 9—After much ado, Junior (Sugarfoot) Dunaway is elected secretary of the Junior Class in Patti's place.

Nov. 11—The Tyler special and a gridiron disappointment.

Nov. 21—Mary Julia and Margaret Ann stay home nursing red eyes, having seen "Marie Antoinette" yesterday.

Nov. 28—Mary Lou is in the doghouse again. This time it concerns a "tower."

Dec. 2—Half the student body drops school and dashes to Tyler for the Tyler-Lufkin game, rain and all. Patsy and party have a slight wreck on return trip, but arrive saying, "It was loads of fun, and the car's insured!" Dance in the gym tonight, enjoyed by all.

Dec. 6—Some of us went to the Civic Music Concert, trying for a little extra education. I fear many of our less art-minded students prefer swing—and truthfully—doesn't everybody?

Dec. 9—Free entertainment these days, what with a new crop of "dogs" around. We especially appreciated Buddy's interpretation of "Heart-and-Soul."

Dec. 10—On this bright Saturday Jane Wood disposed of Hodges for good. Seems they went hunting with their little rifles, and Jane shot a hole through our Frank's trousers. Just ask him and he'll show you!

Dec. 16—Dramatic Club Play tonight. Orchids to Miss Kaderli for really good direction. Kimbrew and Dorothy Ulin got a little carried away at one point and slightly added to the action. And with Sue Jeane watching from the side-lines!

Dec. 19—Another week-end finished—And with each one it becomes more apparent that nobody in these parts rivals Helen Huff's dancing. Take a bow, Huffie!

Dec. 21—School's out for Christmas! All our mercenary femmes dash home and write sticky letters to long forgotten boy friends.

Jan. 2—Back again after glorious holidays. All Joe Colleges disappear midst tears and sighs of relief, all depending on the ones they leave behind.

Jan. 11—Queenie Campbell crowned in style. Dignity of the ladies and gentlemen-in-waiting somewhat marred by giggles at sky-scraper Al Goodson.

Jan. 22—Four of our battier members—namely H. Miller (Dandy's little brother, y' know) Cook, Del, and the younger brother of the aforementioned Mr. Goodson—explored an inhabitated "hainted house" tonight and got scared even sillier.

Feb. 9—The popular and well-known Mr. Robert Grimes entertains with a unique bowling-party. But everything's unique with Grimy.

Feb. 11—The good old Student Council comes across with a dance to raise much-needed funds—Bernie shines as usual, but no funds—

Feb. 16—Wilkie's off today even more than usual, and all desk-pounding is echoed by his colleague (?) Mr. York.

Feb. 20—Excitement over chain-gang rides dying down but students still mutter in their beards at the apparent disloyalty on the part of the faculty to the late Georgy Washington. His birthday coming up and no sign of a holiday.

Feb. 22—Among other things to happen at a certain eventful Lights Out party tonight. Berry G. and Maud L. N. are going steady.

Feb. 26—The end of the short-lived romance born on the aforesaid date—seems little LeBus had Mr. G. copyrighted after all.

March 3—Junior play with Smaha being too very funny and Marjorie Hamilton shaming talent. Boxoffice receipts show that maybe the Seniors will eat after all!

March 7—That cut-up, John Owens, is at it again today as he passes out posies to all available females.

March 9—Band meet with L. H. S. walking off with plenty of honors. Yippee!

March 13—Lots of excitement these days what with the lengths a certain bunch of girls go to break up all the happy couples in sight. Tom Landers and Ouida for instance, seemed to be right off a Valentine—but what will happen now that Bette Erman's after 'em?

March 15—While we're on the subject—Today comes news that Mary Julia had more than a hand in the split-up of Libby McHaney and Richard. Tch, tch, Judyberger! And you two such good friends!

March 18—The beloved (?) choral club is off to Nacogdoches for a song festival. And such flurry! Literary events held here—we came out on top as usual!

April 1—All Fool's Day. Annual must go to "Press."—fooly fooly hope it does.

April 7—Good Friday—Joe College rides again.

April 8—Last minute Easter Shopping.

April 9—Happy Easter Egg.

April 26—Report Cards—disappointments galore.

May 5—Senior Play (we'll show the Juniors who can act.)

May 12—Junior-Senior Prom—Poor little sophomores get social cut. Oh, well, their time will come next year.

May 15—Annual makes its debut. Seniors' vacation (we hope). Sophomores and Juniors are a bit jealous.

May 18—Senior exams.

May 19—Senior exams.

May 24—Junior & Sophomore exams. Hope you did better than we did.

May 25—Exams continue.

May 28—Seniors Baccalaureate Sermon.

May 29—Final report cards. Guess I'll continue my study in Summer School. Commencement.

So long, Seniors—Don't come back next year pulling the old "sore-eye" bull!

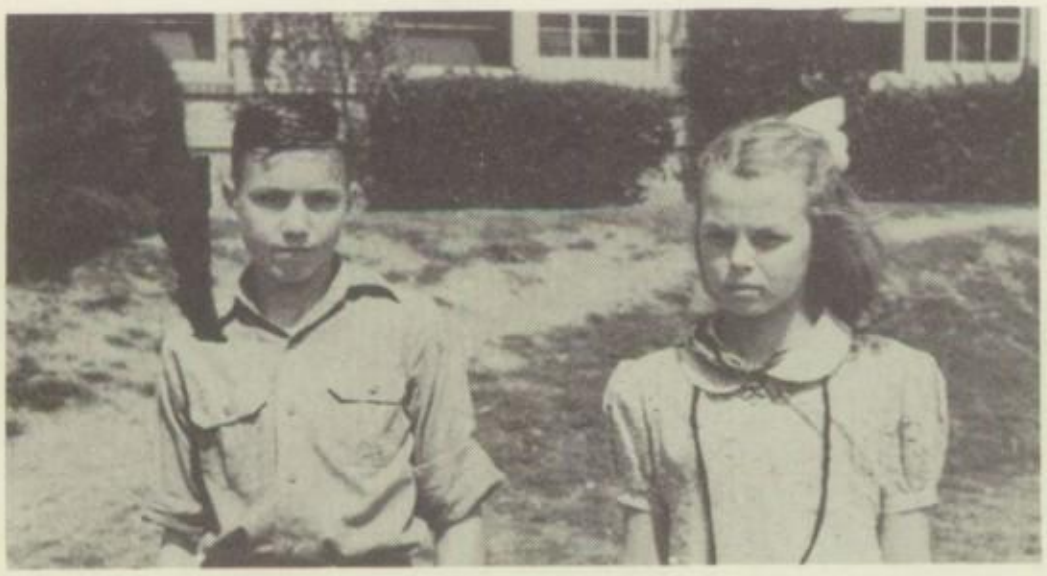
TRACK AND TENNIS

Due to the fact that we will not know the lettermen in these two sports until after the Annual has been sent in, they will be omitted.

INTRAMURAL SPORTS

These sports, consisting of hand ball, volley ball, shuffleboard, playground ball, and table tennis, are held at noon and after school. They are conducted by Miss Treadaway and Mr. Shotwell. While the sports are not the most important, they provide recreation to a great number of L. H. S. students. Winners were decided by elimination contests. Lillie Mae Odom and D. J. Anderson are the table tennis winners.



Shuffleboard Winners

PUPILS SEEK KNOWLEDGE AT LONGVIEW HIGH

From far and near, pupils have come to seek knowledge at the doors of Longview High. From east and west, from north and south they come, sixty-two strong.

A daughter of the old south is Mary Lillian Williams from Miami, Florida. Two hail from Mississippi. They are Johnny Bishop from Jackson and Ross Grady from Clinton. From Louisiana come Ardelle Barlow, Dallas McCubbins, and Louise Sloan.

Plenty of so-called hill billies are in our mist as Bennie Jean Boyce, Betty Knighten, W. C. Long, and Christine Wilson all come from Arkansas. Mary Elinor Jenson is a native of Tulsa, Oklahoma.

Out of the good old north come Juanita Ash from Rising Sun, Ohio; Virginia Freimuth from Detroit, Michigan; Merle Swan from Duluth, Minnesota. Ben Bob James is fresh from Hollywood.

All the other students are from Texas. They are as follows: Dula Williamson from Mobile; Billy Bryant, Italy; Marguerite Delworth, Reagan; Estelle Grimes, Carthage; Harold Greene, Beaumont; Evelyn Holt, Alexandria; Bobby Horn, Emmett; Virginia Howard, Talco; Marvin Jones, Marshall; Richard Long, Houston; Ruth Miller, Ranger; Norma

U. S. Remaining Neutral Subject Of Myer's Address

Doctor W. D. Myers from S.M.U. delivered an address on the importance of the United States remaining neutral in the present war in Europe, in assembly, Tuesday, February 7.

Doctor Myers pointed out, by various illustrations of today's crisis in Germany, Spain, and Italy, the different ends the U. S. A. has to gain by remaining neutral in the present war which predominates Europe. The fact that some gain from the wars which usually infest the country shows the evil that war can create.

Doctor Myers declared that since high school pupils are the coming generation, it is up to them to stop this horrible menace by not importing or exporting anything that would help to prolong this war and to see that the United States does not become involved.

Sydney Latham Speaks To Civics Class

Sydney Latham, a member of the House of Representatives at Austin, spoke to the civics class concerning the procedures in Congress, Wednesday, October 19, at the fourth period.

The civic class, under the direction of Miss Violet McLaurin, began their annual Mock Congress with Bert Espy as the Speaker of the House. During this Mock Congress, the students will introduce bills and carry out the procedure as though they were in the Congress of the United States.

Catherine Campbell Crowned at Coronation

The annual coronation of the queen of Longview Senior High School was held in the high school auditorium, Wednesday night, January 11.

The coronation, which was one of the most looked forward events of the year, was a pageant rivalling anything of its kind in color and beauty. The most beautiful and most popular girls have been chosen as duchesses, and they in turn selected the most popular boys as escorts.

The curtain rose with the trumpets being sounded to open the coronation. Silas Winkler welcomed the audience, and the duchesses came forward to meet their escorts. As they approached the stage, the heralder, Paul D. Miller, announced each duchess and her escort in turn.

Foster Attends Teachers Meeting At Ft. Worth

H. L. Foster, Superintendent of the Public Schools, left Thursday evening, October 20, to attend a meeting of the Executive Board of the Texas State Teachers Association to be held in Ft. Worth, October 21 and 22.

The purpose of this meeting is to consider new school legislation with reference to teacher tenure and retirement. The meeting is also being held to make preparations for the state meeting of the Texas State Teachers Association to be held in Dallas the week-end after Thanksgiving.

According to Mr. Foster, the teachers are hopeful that the state will find its share of the teachers' retirement fund, as the state already has committed itself to match the teachers in raising this sum annually. Teachers contributed $2,250,000 last year and will contribute an equal sum this year from their salaries.

TIGERS DEFEAT LOBO QUINTET BY ONE POINT

In a game packed with thrills from start to finish, the Texarkana Tigers handed the Longview Lobos their first defeat in three conference starts, 14-13, on the local court last Thursday night.

The Lobos held a three point lead well into the final period, but a brilliant Tiger offensive drive in the closing moments left the Texarkana boys ahead at the final whistle. Left forward Bixley sparked the Tiger offense with six consecutive charity tosses. Bixley was also the big noise in the Texarkana defense. He was constantly hampering the Lobo guards and time after time he broke up Lobo scoring threats.

Ross Chapin was the outstanding Lobo offensive threat. He shot two field goals and two charity tosses for a total of six points. Captain William Knox played his usual bang-up defensive game for the Lobos, breaking up several Tiger drives.

The Library Club meets the first and third Thursday in each month at activity period. It sponsored a book donation contest during National Book Week and presented the assembly program Nov. 15. The feature was a play, "Non-Fiction Party," in which Roy Edwards, Charlotte Corban, Edward Kranz, Dorothy Joe Smith, Lois Cobb, Billie J. Latham, Clifford Barr, Jack Buchanan, Jim Roach, Mary E. Jensen, and Billie J. Eblen took part. LaVerne Richardson, a post-graduate, works in the library during the morning, and Dorothy Joe Smith at her off periods.

CAMPUS HUMOR

Under the spreading mistletoe
The homely co-ed stood,
And stood, and stood
And stood, and stood
And stood, and stood, and stood.

A dumb girl is a dope. A dope is a drug. Doctors usually give drugs to relieve pain. Therefore a dumb girl is just what the doctor ordered.

Mary had a little swing,
It wasn't hard to find,
And everywhere that Mary went
The swing was just behind.

It's better to have loved a short man, than never to have loved a'tall.

ADVICE FOR WOMEN

Eight Desirable Qualities in a Girl

1. Always dress well.
2. Don't eat much on dates.
3. Be a pleasant conversationalist.
4. Don't eat much on dates.
5. Never be snooty.
6. Don't eat much on dates.
7. Be a good dancer.
8. Don't eat much on dates.

Billy Huie: "Where's my spectacles"?
Bruce Gaw: "On your nose."
Huie: "Don't be so indefinite."

DEFINITIONS

Bacteria—The back of a cafeteria.
Blizzard—The inside of a fowl.
Dust—Mud with the juice squeezed out.
Modern girl—a vision in the evening and a sight in the morning.

Any afternoon in the fall.
